Rahul Usare

Full Stack Java Developer

rahulusare110@gmail.com | +91 7823885887 | LinkedIn | GitHub

SKILLS

- **Languages:** Java, C, JavaScript.
- **Frameworks**: Spring Boot, Hibernate, React.js.
- **Web Technologies**: HTML, CSS.
- **Tools & Platforms**: Git, GitHub, Maven, Jenkins, JUnit, Mockito, JMeter, Docker.
- **Databases**: MySQL, Oracle**.**
- **Other Technologies**: RESTful APIs, JSON, Postman, Eclipse IDE, Visual Studio Code.

PROFILE SUMMARY

Full Stack Java Developer with hands-on experience in Java, Spring Boot, and Microservices. Skilled in building scalable, secure web applications with a focus on clean architecture and performance. Strong problem-solving mindset with a passion for developing user-focused solutions. Committed to continuous learning and contributing to high-impact development teams.

PROJECTS

Elevator System (Java Console Application) -In Progress   *-Jul 2025*

Technologies: Java, OOP, Collections, Multithreading, Maven.

Designed and implemented a simulation of elevator control system using Java. The application mimics real-life elevator operations such as floor requests, movement control, and direction handling.

- Handled multiple floor requests and managed elevator movement logic.
- Applied Object-Oriented Programming principles for clean modular design.
- Console-based interface for input/output.

Courier Service

Technologies: Java.

Developed a robust and scalable courier service system inspired by Flipkart's logistics model. The application is fully loosely coupled, ensuring modularity and ease of maintenance.

- Dynamic Courier Management: Efficient tracking and management of courier assignments.
- Scalable Architecture: Designed to handle high volumes of orders and multiple delivery routes.
- Microservices Integration: Leveraged Spring Boot for creating modular and independent services.
- Dependency Management: Utilized Maven for effective build management and library handling.

CERTIFICATIONS

- **Full Stack Java Developer Program**   *Jul 2025 - Current*
  Naresh i Technologies
  Covered Core Java, Advanced Java (JDBC, Servlets, JSP), Spring Boot, Hibernate, React.js, MySQL, and full-stack project development.

ACHEIVEMENTS

- Successfully completed a Soft Skills Certification from TCS iON, enhancing communication, teamwork, and *-Aug 2024* professional etiquette skills**.**

EDUCATION

Dr. Babasaheb Ambedkar Marathwada University (BAMU), Aurangabad, Maharashtra   *Aug 2022 - Jul 2025*
B.Sc. Computer Science
CGPA: 7.13 / 10
